Limited Drop In Care
Available!

Community Christian Child Care Center proudly announces its Summer Program. This includes a summer of fun, exciting educational activities where lunch is provided. Join us for a fantastic summer experience to keep your kids engaged and entertained while fostering socialization in a fun atmosphere.

We look forward to welcoming many returning students as well as new ones. See you this Summer!

Summer Studies:

We will do a Bible Lesson daily. This will include worship songs, crafts, and many other things.

We provide a variety of science studies that will have fun indoor and outdoor activities, crafts, and experiments. These will include studies such as the sun, bubbles, chemical reactions, and many more.

We will also provide an outlet for our attendants to participate in 4-H projects such as the many craft projects, cooking/baking projects, rocketry, and others that have a high interest.

We will transport to the local parks, zoo, library, Midwest Theatre, and the YMCA day camp pool or Westmoor pool on scheduled days of the week.

*closed May 26th and July 4th *Program ends August 20th with a closure August 21st & 22nd to clean and prepare for the start of school.

Summer Fees:

**Pricing options to be determined by
Attendance Plan Selection made.
Activity Fee: \$35 billed in June AND July**
