Absences

If a student is going to be absent, parents are required to call the school by 8:00 a.m. the morning of the absence. Parents should make arrangements with their child's teacher(s) via email or Remind to collect work missed (see Missing Work Policy). Please, do not disturb classes to pick up homework. An unexcused absence is one for which there is no prior notice or phone call to the school.

The following guidelines are in accordance with **Nebraska State Statute (79-209)**. CCS is required to abide by truancy laws.

5 absences will result in a teacher phone call to parents/guardians regarding concern about student absences and how that affects learning and performance.

10 absences The Head Teacher will make contact with parents/guardians and their child to discuss his/her excessive absences, or eventual need of sending a letter and documentation of excessive absences to the County Attorney. Attendees must sign a form documenting the meeting, date, and specific concerns.

15 absences Head teacher/teacher(s) will meet with the parents and student regarding excessive absences. The purpose of the meeting is to alleviate the need to proceed toward following State Statute (79-209) which requires a letter to the County Attorney seeking intervention regarding a student's excessive absenteeism and the potential loss of credit and/or expulsion. Minutes of the meeting are to be signed by all attendees.

20 absences A formal letter is sent to the County Attorney stating: (a) Due to the specific reasons (i.e.: extended illness) the Head Teacher is requesting additional time to work with the student prior to seeking County Attorney intervention; or (b) The Head Teacher believes that the school has used reasonable effort to resolve the student's excessive absenteeism and is requesting County Attorney intervention.

In circumstances where excessive absenteeism is seriously affecting a student's performance or behavior, Community Christian School reserves the right to seek assistance from the County Attorney in writing after 10 days of unexcused absences. Additionally, the school reserves the right to disenroll or not re-enroll a family if excessive absences are disrupting student learning and/or classroom environments. This includes Preschool and Pre-Kindergarten classes.

Academic Standards

Each student is expected to complete assignments on time. Incomplete/missing work must be completed at home. Report cards are issued every nine weeks. Parent teacher conferences are held in October with student lead or parent lead conferences being offered in March. Parents are encouraged to email or visit with teachers if there are any concerns throughout the year.

The following grading system is used.

Academic Eligibility

Part of our mission at CCS is academic excellence; therefore, students' grades and work ethic will be taken into consideration when determining eligibility to compete in Sporting Events or Student Activities. If a student has two or more missing or incomplete assignments in a subject(s) they will have to complete this work during practice time prior to participating with their team or classmates. Once a student has missed three or more entire practice sessions, they will be considered ineligible to participate in the proceeding competition/performance. The Head Teacher will contact the parent/guardian if the student is ineligible to compete/perform.

Admission Policy

Preschool students must be 3 years old by July 31 of the school year beginning in September. Pre-Kindergarten students must be 4 years old by July 31 of the school year beginning in September. Kindergarten students must be 5 years old by July 31 of the school year beginning in September. A student's acceptance at any grade level is determined by admission assessment results (if necessary), interview data, and recommendations from the teacher and Head Teacher. No student shall be admitted who has a history of emotional or disciplinary problems, or a severe learning identification in which our program is not staffed. CCS's admissions practices are intended to fulfill Christ's commission to "make disciples" by challenging students who are not yet Christians to accept Christ as their Savior and by helping students that have accepted Christ as Savior to grow in their Christian faith (*Matthew 28:19*). As a Christian School, CCS encourages every student to be certain of their choice to accept and serve Jesus Christ as Lord and Savior and to be prepared to effectively inspire others as they share their faith. The Leadership Team reserves the right to make admissions decisions based on mission alignment and child readiness.

Assembly

A weekly K-8 assembly will take place on Wednesday mornings prior to chapel. During this time, students will gather as a community to recite the pledges and mission statement, hear special announcements, celebrate accomplishments, recognize birthdays, etc.

Board Meetings

The Board of Education meets each month, unless notification is provided to parents otherwise. CCS Board meetings are public meetings and parents are encouraged to attend. Notification of the board meetings will be in the weekly newsletter as well as through an emailed agenda the week prior. In the event a patron would like to address the Board, the following policy will give guidance for those comments:

Patrons' Comments may be limited to five minutes per speaker and will be delivered in a manner reflective of Christian principles, refraining from hearsay, gossip, and anger.

Comments related to policy will be heard in open session. Comments related to personnel will be heard in a closed executive session, considered as the last item on the board's regular agenda, to protect the reputation of the subject(s). All comments will be considered and addressed by the Board prior to the next month's board meeting, with an explanation and/or decision provided in writing to the patron. All comments offered in open session and related outcomes will be recorded in the minutes and available for public review. Patrons who feel they require more time or consideration of their comments are encouraged to request their issue be placed on the agenda as an agenda item one week (seven calendar days) prior to the scheduled meeting.

Books

The school strives to maintain libraries that are in alignment with our biblical principles. Please use discretion on the books that your child brings to school. Our staff will do our best to discern if copies will be allowed in our classroom. Parents who have concerns about books should address

this first with the classroom teacher. If the concern is not resolved then parents must follow the Matthew 18 principle as outlined in our policy on Conflict Resolution Procedure that can be found below. Secular texts are allowed in the classroom and library as long as they do not conflict with our Biblical values or cause division amongst our CCS community.

Care of School Property

Students are expected to be good stewards of the building and equipment, and refrain from marring or in any way damaging school walls, books, desks, furniture, doors, etc. This includes care and cleanliness in bathrooms. Students are to realize that bathroom etiquette is a reflection of the school. Anyone deliberately or accidentally damaging property will be expected to make financial restitution to the school for repair or replacement. Payment for books lost or damaged beyond normal use must be made to replace them. For items that do not have a quantifiable replacement value, the family will cooperate with the school on a consequence for the student, which may include repairing or cleaning damage when possible. A family has 30 days to pay a bill for damaged property. Any unpaid restitution is subject to billing and subsequent collection attempts.

Causes

CCS is an interdenominational school. All church and community promotion must be approved by the Leadership and must be mission-aligned. The school is not to be used for political causes. No literature is to be distributed or displayed at CCS without prior approval from the Leadership Team.

Cell Phone Policy

CCS is a **No Phone School**. Cell phones (including smart-watches or other communication devices) must be checked in at the main office at the start of each school day. Devices will be kept secure during the day and can be checked out at 3:30 dismissal from a staff member at the gate or in the office. Any inappropriate use of phones/smart watches at CCS, a CCS activity, or on field trips will be cause for loss of all cell phone/smartwatch usage privileges at CCS for the remainder of the school year and may result in disciplinary action. CCS is not responsible for lost, stolen, or damaged personal property. Students are not allowed to open apps such as YouTube, TikTok, Snapchat, etc while on school property or at school functions. When students are attending off-campus field trips or school activities, their cell phone must be turned into the chaperones.

Cell phone or social media usage outside of school hours that does not reflect the Christian values of the school may result in a parent meeting, intentional disciplinship, and potential disciplinary action.

Chapel

Chapel is held weekly and is coordinated by Leadership. Various leaders in the community, staff members, and fellow students share messages of encouragement with the students to further God's kingdom. Chapel speakers agree to adhere to our Statement of Faith.

Childcare (including before and after school care)

Before school care is provided for infants through 8th grade in the Child Care Center. The cost is a flat rate of \$5.00 (billed) for morning care. At 7:45am, K-8 students will transition to school staff on the playground or in the gym until the start of school/class.

After school care for K-6th is provided from 3:30 pm. until 6:00 pm. Because students at school are the responsibility of CCS and/or 5C staff, any child left at school after 3:45 p.m. will be placed in after-school care if they have paperwork on file with 5C. Students need to wait for parents in 5C and exit through the 5C doors if they are in after-school care. Please do not expect your child to wait outside unsupervised after 3:45 pm. The rate is a flat rate of \$6.00 (billed) per child. If students are NOT registered/enrolled in 5C, staff will follow the late pick-up/dismissal process. (See Dismissal Procedures below)

If a child utilizes both before and after school care the rate is \$8.00 per day.

Communication with Parents

Communication is one of the most important tools used to enhance students' success. In order for CCS to have effective communication with families it is essential that the office has current contact information for all students at all times. Weekly folders will be sent home with important school information, newsletters, etc. Please look for these each week (typically Thursday is our primary day for communication.) Parents are required to utilize Remind and FACTS to receive important communication from the school. Remind is utilized for daily communication and safety information, and FACTS is used to inform parents of student health, academic, and behavior.

Conflict Resolution Procedure

It is critical for successful conflict resolution to heed God's plan in Matthew chapter 18. This design is outlined below.

1. Questions and criticisms are to be brought directly to the teacher, staff member, or parent with whom there is a grievance. Most of the time, the issue is due to miscommunication. The discussion should be a personal meeting between the **parent and member of the school community whose work is in question**.
2. If the parent is not satisfied, an appeal may be made to Leadership in the form of a personal meeting.
3. Only in extreme grievances should the School Board be involved. Final authority lies with the School Board.

Curriculum

The Bible is considered the core curriculum. We believe our Biblical Worldview should permeate every aspect of the school. The elementary curriculum includes Bible, Math, Phonics (K-1), Reading, Writing, Language, Spelling, Science, Social Studies, Music, Art, Computers, and Physical Education/Health. Each grade level or content area will have a class syllabi.

Discipline

At CCS we encourage all students to honor God with their words and actions. We believe we are making disciples and therefore we encourage and discipline students when necessary in order to help them grow. We utilize positive behavior support through our Five Guiding Principles (identified in the handbook under Guiding Principles). Each classroom has a specific behavior plan/program in order to encourage appropriate behavior. We reward students for hard work and meeting both academic and behavior goals at school.

When dealing with student discipline, the Leadership Team strives to seek truth and reasoning in determining the appropriate consequence(s). It is critical that parents and the school communicate effectively regarding behavior, therefore, oral and/or written notices are given to parents in an instance where a child has been issued a demerit. Demerits are documented in FACTS and parents are notified via email and Remind message. For serious infractions, a member of leadership will call parents. Because the testimony of CCS is a compilation of moral and biblical standards actively supported by the student body, staff, Leadership, and School Board, these policies are applicable at all times during the school year. The final disciplinary decision will be determined by the Leadership Team.

Parent Alignment on School Discipline: It is vital that the school-parent relationship be consistent when it comes to student discipline. Refusal to allow consequences will result in a Parent-Leadership meeting. If an agreement cannot be made on a consequence, the Leadership Team reserves the right to determine future enrollment. If an expulsion takes place the Parents may follow the Grievance Policy with the School Board. Parents are expected to follow the appropriate chain of commands, in line with Matthew 18, in pursuing a grievance against a staff member or the school.

Demerit & Merit Policy

CCS Staff utilize FACTS as our Student Information System (SIS). This includes the documentation of student behavior. As a private, Christian school, CCS endeavors to partner with parents in the intentional discipleship of students. This includes praise for positive behavior and admonishment and correction when negative behavior takes place. The school works closely with parents to ensure Christian values are upheld at all times.

Appeals of disciplinary decisions may be requested of the School Board in writing within 30 days. Appeal requests can be emailed to office@ccsneb.com.

Dismissal Procedures

Preschool and PreKinder students will be released to parents at the front, main entrance. Preschool students must be picked up between 11:15am-11:30am and Pre-Kindergarten students must be picked up between 11:30am-11:45am. Parents must have contacted the office by 8:15am that morning if their child is staying for afternoon care (5C rates apply). *Paperwork and payment arrangements must be on file in 5C for them to stay.* If a Preschool-PreK student is not registered with the daycare and we have received no response from emergency contacts, local emergency personnel will be contacted and the student may be placed in their care.

Kindergarten-8th grade will be dismissed through the East Gate. After gate closure at 3:45, students with 5C paperwork on file will need to be picked up through our after school/child-care program. Students without 5C paperwork, will need to be picked up in the school office.

If a student is not scheduled to stay and the parent is late they will be charged an additional \$15 late fee (after the pick up window has closed) on the second offense. The fee will be charged on your family account and is due within 30 days. Failure to make this payment may result in disenrollment.

Any K-8 students taken to the office at 3:45 will have their emergency contacts called. If all contacts fail to respond by 4:00pm, local emergency personnel will be contacted and the student may be placed in their care.

Staff may ask an individual who is picking up a child for their Driver's License or ID if we do not recognize them. If your child has an alternative pick up person, families need to notify the office prior to 3:30. If the pick-up person is not on the emergency list the parent has provided, we reserve the right to contact the parent and confirm the identity of this individual.

Doctrinal Statement on human life and sexuality:

Community Christian School believes that human life is uniquely created by God, in His image, and for His glory. Therefore, humanity is sacred from conception to its natural end and that since all life

is sacred, every human being has value and deserves dignity. As such, we must have concern for the physical and spiritual needs of all individuals. (Genesis 1:26-28, 5:1-2, 9:6; Job 33:4; Psalm 8:4-8, 100:3, 139:13; Isaiah 45:9-12, 64:8; Matthew 22:37-39; Galatian 6:10, James 1:27)

We believe God's plan for human sexuality is to be expressed only within the context of marriage, that God created man and woman as unique biological persons made to complement each other in marriage if God wills. God instituted monogamous marriage between male and female as the foundation of the family and the basic structure of human society. For this reason, we believe that marriage is exclusively the union of one genetic male and one genetic female. (Genesis 2:24, Ephesians 5:31, 1 Corinthians 7:2, Hebrews 13:4, Genesis 1:27, Matthew 19:4)

Dress Code

Parents are responsible to enforce the dress code before students leave home. Students should come to school dressed neatly and modestly, with a clean body and clothing, and hair that is washed and brushed. If the office has concerns about hygiene they will contact the parents. The administration reserves the right to serve as final authority on student appearance. Dress code shall apply to all students during the school hours and school-sponsored activities, including field trips and sports events. Clothes should be in good condition. Hats, caps, and sunglasses may not be worn in the building and must remain in their locker or back-pack until going to the playground. Articles that cause distraction or have offensive pictures or slogans or worldly attitudes contrary to God's Word will not be permitted. Shorts and skirts must be of a moderate length (at least mid-thigh). Questionable lengths will be decided by the Office. Shorts may be worn if the temperature is predicted to be over 40 degrees. Jackets/coats are required for recess times under 40 degrees. Bathing suits worn for field trip activities must be modest.

Unacceptable Attire for Girls; Low-cut, backless, strapless, sheer, or otherwise immodest clothing, including crop tops, halter tops, spaghetti-strap tops (straps must be at least 2 inches wide), bikinis. Clothing with excessive or upper thigh holes or clothing that allows exposure of the midriff or undergarments.

Unacceptable Attire for Boys; Unbuttoned shirt without a T-shirt; mesh shirts, and tank tops with straps less than 2 inches. Clothing with excessive or upper thigh holes.

Chapel Dress Code: Dress code on Chapel days is more formal. The heart behind this day of dressing up is to physically show that our chapel days are "set apart."

Appropriate chapel attire for girls includes intact denim, dress slacks, khaki shorts, skirts, dresses, and plain or patterned shirts.

Appropriate chapel attire for boys includes intact denim, dress slacks, khaki shorts, collared shirts, and solid colored tees.

Unacceptable chapel attire for all students includes exercise wear (athletic shorts, sweatpants, leggings, etc.) ripped jeans, graphic t-shirts, and hoodies.

If a student arrives at school in attire that is not chapel appropriate, a reminder message will be sent home to parents. If clothes are not brought to the school, then clothes will be provided from a donations closet of dress clothes located in the Office. After three occurrences of not meeting Chapel dress code expectations in one semester, students will receive detention. Continued lack of adherence will result in a meeting with parents.

Emergency Drills

- Fire drills will be conducted two times during the first two weeks of school. Fire drills will be conducted once a month thereafter for a total of ten fire drills per school year.
- Tornado Drills will be conducted two times per year (once in the first two weeks of school and second in March.)
- Lockdown Drills will be conducted at least six times per year.
- Bus Evacuation Drills will be conducted two times per year.

Finance and Tuition

Tuition is paid monthly, quarterly, semi-annually, or annually. Families are required to participate in ACH payments for monthly payments. ACH payments are drafted on the 5th or 20th of the month. Students whose accounts are 30 days past due are subject to dis-enrollment if arrangements are not made. All accounts must be in good standing, with timely arrangements made with the office, in order for the student or family to participate in year-end activities and ceremonies (including graduation).

Scholarship applications are available online at www.ccsneb.com/admissions. Applications should be submitted by April 1 for best consideration. The Scholarship Committee convenes once a month for determinations on blind applications. Parents may write a letter of appeal to the committee if their application is denied or the amount requested is not offered. This appeal must be submitted to the office within 30 days for the next monthly review.

Parents who have a vocation in ministry are automatically eligible for a 25% tuition scholarship and may request additional scholarship funding based on need. They must complete the Scholarship application using the guidelines above.

All families are required to pay registration fees and fundraising fees.

There is a \$20 return fee for any payments that are returned/rejected by the bank. Any payments that are more than 15 days past due will incur a 5% late fee through FACTS.

Fundraising & Events

As with any private school, fundraising is a necessity to meet finances, since tuition does not cover all the expenses of the school. Our two major fundraisers are the 1st Semester Wreath Sales and the 2nd Semester Enchilada Factory. K-8 families must meet the minimum sales requirements of \$350 **profit** for **both** fundraisers. Remaining amounts will be billed through FACTS and families 30

days from invoice posting to either make a payment or arrange a payment plan with the office. After 30 days, the amount will be billed through ACH (autodraft) if other arrangements have not been made.

All families are required to volunteer for the Enchilada Factory at least 4 hours (counting, rolling, set up, clean up, etc) These hours can be spread out over multiple friends and family members to help the family meet the volunteer needs. A sign-in sheet will be kept in the gym hallway for families to record their hours. Any family who does not meet the minimum 4-hour requirement will be charged \$25/hour OR make up those hours by August 1. If volunteer hours are not completed by August 1 the fees will be billed through FACTS.

Additionally, ALL families are asked to volunteer at one other school event throughout the school year.

Any additional fundraising activities must be approved by the Board.

Grievance Procedure

Grievance is defined as a complaint or resentment, as against an unjust or unfair act. In this case, the following grievance procedure is in place. (See Matthew 18.) If you have a grievance with a teacher, staff member, parent and/or board member, meet with them first to try to work out your difference. Most grievances are simply miscommunications/misunderstandings. God says that love is the most excellent way. This first step may need to be repeated more than once in love and patience. If the grievance continues to be unresolved, discuss the issue with the Head Teacher. A conference with the Head Teacher may be suggested. Only in extreme grievances should the school board be involved. However, in such cases, the decision by the school board will be final.

Guiding Principles

We will SOARR like Eagles by using the following Guiding Principles to encourage positive behavior!

- We will each learn to confess our wrongdoing to God and take ownership of our faith journey.

Attitude ~ Galatians 5:22-23

We will be well-mannered, compassionate, helpful and willing.
We will use good manners and be kind throughout our day.
We will be compassionate and helpful toward others.
We will be willing and open to learn new things and to stand up for what is right ~
courageous!
We will seek to please God with our attitude.

Respect ~ 1 Peter 2:17

We will communicate in a positive and uplifting way.
We will respect ourselves.
We will respect others and those in authority.
We will respect our school.
We will show respect for God.

We will be dependable and follow through with our commitments.
We will attend to our activities on time.
We will keep track of our duties and assignments.
We will follow through when someone or something is depending on us.
We will become doers of God's Word.

Health

Nonprescription medication will not be provided for student(s). Medication may be given to children for a limited amount of time with proper paperwork filed in the office. Prescription medicine will be distributed with a doctor's note and prescription must be in the original container. Only staff members who have undergone the official med training will be able to administer medication. First aid will be administered by the office staff. Students with a temperature of 100.4 degrees or more should not be sent to school and will be sent home if a fever occurs while at school. A child must be fever-free without medication for 24 hours before returning to school. The office must have a current phone number where a parent can be reached in the event of an emergency. Students who vomit during the day will be sent home and cannot return to school if they vomit within the next 24 hours. If vomiting continues, the student may not return to school until symptom-free for 24hrs. Any rashes or eye infections may require a student to be sent home when there is a question of contagiousness. A student may return to school when a physician states that he/she is no longer contagious or when symptoms disappear.

Visits to the office and any medical treatment or medicine administration will be logged on FACTS. Major health concerns will result in parents being contacted via phone call.

A physical exam, vaccinations, and eye exams are required for children entering kindergarten.

Holiday Celebrations

We strive to focus on Christ in all holiday celebrations. Therefore we ask that no secular celebratory items be brought to school in the form of snacks or items for parties. This would include Easter bunnies, Halloween items, and Santa Claus items.

Homework

The purpose of homework is:

- a) To reinforce what is being learned at school
- b) Allow extra time for students to complete activities due to absences or inability to complete during class
- c) To encourage responsibility and ownership of class projects and assignments

We encourage family time at home and are sensitive to additional after school activities.

Therefore, we encourage students to finish work at school. The majority of homework will be uncompleted work, but there are occasionally activities/projects that may need additional parent support. Reading is not considered homework and is expected daily.

The length of homework will average: Kindergarten – 10 minutes per night; First–Fourth Grades – 20 minutes per night; Fifth–Eighth Grades – 30 minutes per night.

Insurance

Part of tuition provides secondary insurance coverage for CCS students or CCS teams. If a student is hurt at school, families must file with their insurance company first. Anything not covered by a family's insurance will be considered by the school's insurance.

Internet/Computer Policy

Community Christian School will provide computer access to all students to support classroom instruction. Use of computers/chromebooks will be supervised at all times. CCS will employ firewall technology and other blocking apparatus to ensure our children are protected from harmful internet influences while at school. However, parents realize that no site-blocking measures are 100% effective, and will not hold the school responsible for breaches that may occur. A computer contract is required to be signed by all students and parents, regardless if the device is owned by CCS or the family, prior to the start date. Here is an excerpt of that contract:

Use of computer hardware, software, and network is a student privilege, which will be revoked if abused. Students are personally responsible for their actions in using and accessing the school's computer resources. All CCS devices are to be left in their original settings. No adjustments can be made to the cursor, background, or themes, etc. Extensions and downloaded games are not permitted. Students are not allowed to make any adjustments to the device settings. Failure to abide by these guidelines will result in any or all of the following: loss of computer use, loss of network privileges, disciplinary action/referral, school suspension, and/or restitution.

6th-8th students may choose to rent from the school or provide their own chromebook/laptop. Any student who is renting a chromebook from the school must sign a rental agreement and supply the \$25 rental fee prior to check-out. This money is not refundable. If damages or loss occur to the chromebook, the family is responsible to pay the replacement cost within 30 days. If CCS values are violated through technology usage, the Leadership Team reserves the right to seek disciplinary action including but not limited to revoking of privileges or possible expulsion.

School chromebooks will stay on campus unless a teacher deems it necessary to take home for completion of an assignment. The chromebook must be formally checked out and then returned to school the following day to be checked back in.

Leaving the Building

Students are not to leave the building or school grounds during school hours without a parent's consent. Students wishing to leave for any reason, including lunch, must have written permission from a parent or guardian. Parents must sign students out and sign them back in at the office. Students left after school are still the responsibility of CCS staff. They may not leave the premises without parent permission.

Lice

Any child discovered with head lice will be asked to wash with appropriate shampoo and comb through the hair the same day. If treatment is not administered, the child may not return to school until it is completed. All such cases will be kept confidential. Classrooms will not be notified unless there are multiple cases in the same group.

Lost and Found

A lost and found is located inside the red recess door. Parents are encouraged to check it regularly at pick up or drop off. Unclaimed articles will be given to charity at the end of each quarter. Please put your child's name on everything brought to school. The school and teachers will not be responsible for any lost articles.

The school will not hold used tupperware or water bottles for more than one week for sanitation purposes, and it will be thrown away if unclaimed.

Lunch Charge Policy

Lunch with milk is \$4.00/day. Extra Milk is \$0.50/day. Guests must call in by 8:15 am on the day they wish to eat at school. Lunch funds may be checked on FACTS. Families may not carry a deficit in their lunch account of more than \$20.00. Once an account reaches this point, parents will be contacted to bring lunch money or provide lunch for their child. Students not wishing to participate in the hot lunch program for the day may bring a sack lunch from home. Lunch and milk payments may be made in the office for the hot lunch program. Payment methods include cash, check, credit card, and PayPal. CCS is partnering with Gering Public Schools. GPS will manage Free & Reduced Paperwork.

Mission Statement

Encouraging students to learn and apply *God's Truth*, while promoting academic excellence, in a Christian environment.

Missing Work

Community Christian School emphasizes excellence in both effort and outcome. Students are expected to complete work honestly, take responsibility for their learning, and strive for high-quality work. Students are expected to complete assignments in a timely manner. Work missing after two weeks of the grade posting will result in reduced credit. (Colossians 3:23-24)

Step 1: Missing grades after 1 week from the posted date will result in 75% of eligible points

Step 2: Missing grades after 2 weeks from the posted date will result in 50% of eligible points

Step 3: Missing grades after 3 weeks from the posted date will not be eligible for credit. Re-do assignment due dates and procedures are at the discretion of the teacher and can be found in the class syllabi.

Families are expected to pick up and complete work during scheduled absences (i.e. vacations). Families are asked to give one week's notice prior to absence. In the event of an extended illness lasting more than two instructional days, students will be granted a one-week extension to complete and submit missing work. In the case of long-term absences, families will contact the Director of Curriculum at least a week prior to the absence and set up an academic plan to complete work.

Non-Friable Asbestos

The building does contain a small amount of non-friable asbestos. Non-friable asbestos means asbestos that is covered and will not come in contact with students or staff. These areas are noted in the School's Asbestos plan.

Parent-Teacher Fellowship (PTF)

The CCS PTF exists to serve. Our purpose is to manage fundraisers, promote school spirit and biblical principles, and show teachers and staff our appreciation and support. We facilitate parent-teacher partnerships within the school in addition to creating a spirit of community between CCS parents.

Safety

We use the Standard Response Protocol for all emergency responses and conduct the required amount of drills and additionally plan drills for additional practice. We use the urgent messaging system on Remind to contact parents in the case of an emergency. ALL parents and staff should have the Remind App downloaded so they can receive these urgent messages. For more information on the Standard Response Protocol please visit iloveyouguys.org.

Detailed safety plans for each emergency are kept in classrooms and offices for staff to follow procedures. Parents are invited to join our Safety Team to help evaluate and update our plans on an annual basis or as needed.

Security

East Gate opens at 7:45am and closes by 8:00am. Gates will be locked again for the day. Students who arrive late must enter through the front door **and check in at the office**. Standardized Testing

Students in grades Kinder-8th are assessed three times per year using the NWEA MAP Test. Measures of Academic Progress® (MAP®) creates a personalized assessment experience by adapting to each student's learning level—precisely measuring student progress and growth for each individual. Parent reports for the testing results will be sent home soon after each testing period. Teachers use this information to assess students' progress, lesson plan, and differentiate instruction.

Students in grades K-1 are assessed in the areas of mathematics and reading proficiency. Students in grades 2-8 are assessed in the areas of mathematics, reading, and language. Students in grades 5-8 may be additionally assessed in science.

Students in K-8 are assessed in Biblical Knowledge and Application through an ACSI assessment as deemed necessary by the administration.
