

Information for C-Store, Milk, and Friday Lunch Purchasing

Two ways purchase through FACTS:

1. Using the FACTS Family **App**, select the “Lunch” icon. Then select “Create Web Order.”
2. Using a web browser, log-in to your FACTS account at <https://schoolsiterefp.renweb.com/> . On the left side, select “student” => “lunch” and then click “Create Web Order.”

Milk: The most you can prepay on any given week is 10 milks (\$5). If you’d like to prepay for more all at once, you’ll need to select another week. The total amount will be credited to your account and your child can purchase milk at the pace you wish.

C-Store: The option to purchase a \$20 C-Store card is available on any given day. You should be able to purchase as many as you like on the same “day.”

Friday Hot Lunch: This option will only show up if you click a Friday in which a hot lunch is available. However, you can purchase all 4 lunches on the “day” by entering 4 in the quantity column. **Please first fill out the Google Form so you know your specific order.**

If you have multiple children, you will need to order individually for each child.

If you’d prefer not to purchase online through FACTS, you can also pay in-person with Miss Hedi in the Office.
